

PROLIFE: HOW DO I GET INVOLVED?

Here are some suggestions:

1. Ask the Lord to guide you into what He wants you to do concerning life issues. You're invited to attend the Pro-life Prayer meetings 2nd and 4th Sundays of the month at 10:30 am in the church library on the 3rd floor.
2. Pray for an end to abortion in our nation and worldwide, and for human life to be recognized as sacred by all people.
3. Pray for our pastors and leaders to seek God's will on all matters pertaining to our church, including support/stance on pro-life issues.
4. Pray for girls/women in unplanned pregnancy situations to choose life for their children.
5. Pray that our federal, state and local government officials would respect and protect life at all stages.
6. Pray that individuals within the media would be convicted to tell and show the truth, especially about abortion and doctor-prescribed suicide.
7. Pray for the closing of LeRoy Carhart's late term abortion facility in Germantown, MD. Join others to pray on-site Mondays 8–10 am. Details at: PrayForGermantown.com.
8. Pray for those with past abortions to find healing in the love of Jesus.
9. Vote for and support those officials who support the sanctity of human life, and challenge those who advocate the pro-abortion and right-to-die agendas.
10. Contact your federal, state and local government representatives to express your opinions concerning sanctity of life legislation.
11. Boycott businesses that give financial support to abortion providers. For a listing of corporations that support Planned Parenthood, visit www.fightpp.org or call 540-631-0380.
